CUSTOMER EDUCATION & AWARENESS

Password Security tips

- o Change your password regularly and ensure it's a strong one.
- o It is important to keep your account safe and helps you maintain confidentiality.
- o Your bank will never ask for your confidential information via phone or email.
- o Be sure to choose strong and long passwords. For additional security to financial transactions through Internet Banking, create and maintain different passwords for log-in and for transactions.

Check for latest updates of your Smartphone's operating system

- o Smartphone users to make sure their operating system is updated with the latest security patches and updates.
- o Do not remove the security controls from the phone often called 'jail breaking' or 'rooting'.

Always look to restrict access that apps ask for when being installed to only what the app really needs.
